About Directors

Mr. Neeraj Agrawal, is a commerce graduate from Nagpur University and a Chartered Accountant from ICAI. He is one of the founder members Pushkar Group of companies who has a vision to create real estate marvel in Nagpur and India. Procuring and creating land bank at strategic locations to come up with his dream projects keeps him busy. His ability to locate best land parcels is un-paralled. He initiated and introduced the concept of gated community plotted development to Nagpur. Thanks to him that today Pushkar group is the first real estate company to give fully developed layouts.

Mr. Gaurav Agrawal, Chartered Accountant, is a commerce graduate from Nagpur University and a Chartered Accountant from ICAI. He is one of the founder members Pushkar Group of companies who is extremely strong with zeros and ones. His ability to judge the financial feasibility of the projects is impeccable. He is the back office strength of Pushkar Group. ISO 9001: 2000 certification to Pushkar Group is a testimony to his belief to the process driven system. His vision is to get the Pushkar Group of companies listed in BSE and NSE.

Mr. Vishal Agrawal, a graduate in Bachelor of Engineering (Industrial), He is one of the founder members Pushkar Group of companies carrying a mission to make pushkar group as the best brand in Nagpur and India. A networking genius in him got the best realty brands to promote Pushkar products within India. Today Pushkar is a well known brand in the Indian metros and is successfully servicing its clients all over India. He is the man behind bringing the best township builders and hotel companies to Nagpur by getting them land pockets at strategic locations.

Mr. Kartik Balakrishnan Iyer, Graduate in Commerce from Nagpur University. He joined Pushkar Real Estates in the year 2007 and initiated the process of expanding Pushkar Groups operation worldwide. Pushkar Group's presence outside of India started with Middle East in the year 2007 and then in the year 2008 Pushkar set its foot in North America and UK. His vision is to take Pushkar Group to other European countries and Australia in the coming days. The recent development plans for the Nagpur city coupled with the memories of the good olden days has made him come back to Nagpur leaving his overseas assignments and join Pushkar group to shape up Nagpur as one of the most preferred destination in India. Prior to joining Pushkar he was working for IT companies delivering services to Global Real Estate market. Having worked with global Real Estate companies and travelling along with them to developed countries like USA, South Africa, UK, and Dubai his vision is to bring the best globally accepted real estate practices to Pushkar group and Nagpur
